

## QUALITY POLICY

The continuing Policy of VILANOVA Y CRUZ, S.L. is to provide:

- Continuous improvement of the Technical Department
- Continuous improvement of the Quality System
- Continuous improvement of the Manufacturing Capacities
- Continuous training of the Staff to perform their required duties

The intention and purpose of this QUALITY POLICY is to achieve the greatest satisfaction of:

- Customers and Users
- Engineering companies and Customer Technical Departments

To achieve that, we must always offer:

- Good products: Design and Manufacture
- Good service
- Effective communication with the Interested Parties.
